## FAQs

### What is the purpose of the program and how is it funded?

CHFA administers the Concessionary Debt program on behalf of the Office of Economic Development and International Trade (OEDIT). The Concessionary Debt program is a component of the Colorado Affordable Housing Financing Fund established by Proposition 123 and provides gap financing for projects supported by federal Low Income Housing Tax Credits. To be eligible, projects must have received an award of credits, be able to demonstrate a financing gap, and have not yet converted to permanent financing. Shovel-ready projects that result in the construction of new units will be emphasized during the first year of program funding.

### How do I determine if my project is eligible?

A project that applies for funding from the Program must be located in the State of Colorado in a jurisdiction that has received approval through the Colorado Department of Local Affairs - Division of Housing to participate in the Financing Fund by completing a Local Government Affordable Housing Commitment. More information is available on DOLA's website at <https://cdola.colorado.gov/prop123>. For-profit entities, nonprofit, government entities including housing authorities, and tribal governments with prior experience in developing affordable housing are eligible to apply.

## LIHTC Gap Finance Example Project

Federal 4 percent LIHTC development with large first mortgage ⚠️ LTV too high and debt service coverage ratio too low

### Original Permanent Financing

Source of Loan	Amount of funds	Interest Rate	Term of Loan	Amortization (Years) or I/O	Annual Debt Service
First Mortgage	\$19,900,000	6.50%	15	40	\$1,398,070.86
<b>Total</b>	<b>\$19,900,000</b>				<b>\$1,398,071</b>

The below-market-rate subordinate debt helps reduce the annual debt service, enabling the project to take on the amount of debt necessary for the project to reach completion.

### Permanent Financing with LIHTC Gap

Source of Loan	Amount of funds	Interest Rate	Term of Loan	Amortization (Years) or I/O	Annual Debt Service
First Mortgage	\$17,000,000	6.50%	15	40	\$1,194,331.89
Proposition 123 Subordinate Mortgage	\$2,900,000	2.50%	15	I/O	\$72,500.00
<b>Total</b>	<b>\$19,900,000</b>				<b>\$1,266,832</b>
